Information Booklet

Anand Niketan School Mehsana is a CBSE affiliated co-educational English medium day school established in 2009 at Mehsana. Our Main School campus (Std 1 to Std 12) is on Mehsana Unjha Highway near Moti Dau village while our Preschool city campuses (Nursery to Sr. KG) are in Visnagar, Mehsana and Unjha cities.

Moti Dau - Main Campus

Visnagar - Preschool

Mehsana - Preschool

Unjha - Preschool

Anand Niketan School Mehsana focuses on the all-round development of a child. Our students succeed in innovation, academics, sports, theatre, dance, declamation, debate and many more.

Main School (Std 1 to Std 12)

The Main School campus ambience and the art décor speak volumes about the school philosophy which inspires critical thinking, problem solving, creativity, teamwork, citizenship and leadership.

Sections

The primary section (Std 1 to 4), middle section (Std 5 to 8), secondary section (Std 9 to 10) and senior secondary section (Std 11 to 12) of Anand Niketan Mehsana are being run at our Main School campus located on the outskirts of Mehsana.

Curriculum

We follow the NCERT and CBSE curriculum and guidelines to educate our students admitted in Anand Niketan Mehsana.

Teaching

Teaching at Anand Niketan Mehsana is student centric, based on real life context encouraging each child to hone his or her skills, talents or interests in academics, sports, theatre, dance, declamation, debate and many more for which the facilities in the school is outstanding.

It is our constant endeavour to prepare all our children for the future by providing them with hands on experiences outside their comfort zones. This encourages them to be critical thinkers and also develop a sense of responsibility and authority.

A team of qualified PRTs, TGTs and PGTs are given the responsibilities of teaching the students at our Main School campus.

Pedagogy

To enhance the teaching-learning process, we have installed smart boards in all our classrooms. Our teaching methodology is activity based wherein the usage of worksheets and projects are fun, as well as hands on activities and educational trips make learning more relevant and tangible for the learners.

Co-curriculum

The presentation by students at the School Assembly help them build confidence in public speaking and develops their critical thinking skills.

The participation in inter-house competitions make learning involving as well as innovative. Some of inter-house competitions are General Quiz, Mental Maths Quiz, Social Science Quiz and Science Exhibition.

Our students are also provided with opportunity to take part in national level examinations viz. Olympiad and Manthan. Regular Diagnostic Tests help us evaluate our students' learning achievement and help us better plan our teaching methods.
